FHCA Member Receives National Recognition

The National Association of Health Care Assistants (NAHCA) is pleased to announce that a Florida long term care facility was recently honored at the 15th annual “Key to Quality” Awards Banquet held at the Argosy Casino/Hotel & Spa in Kansas City, Missouri on September 17, 2009. NAHCA and Florida Health Care Association member facility Whitehall Boca Raton of Boca Raton, Florida was the recipient of the “Facility of the Year Award”. The facility receiving this honor must be a NAHCA member who sponsors innovative programs, continual education, professional development opportunities, teamwork and person centered care. They must have a dedicated commitment to staff as well as residents. Whitehall was chosen from more than 500 NAHCA member facilities.

NAHCA and the Florida Health care Association would like to congratulate Whitehall Boca Raton – “2009 NAHCA Facility of the Year”.

NAHCA is a professional association representing caregivers and long term care facilities in the United States. The association has over 500 member facilities and over 30,000 individual members. For more information please visit their website at: www.nahcacares.org.
